SALON LOUNGE SERIES

The Salon Lounge Series was conceived to fit harmoniously within any setting where conversation flows and conviviality is encouraged. The versatile pieces can be arranged in an assortment of layouts, ranging from anterooms and lobbies to guest bedrooms and hallways. Pulled up to a table, a club chair makes for an ideal seat during a cocktail party. In larger rooms, where their petit footprint makes them ideal for use in multiples, the Salon pieces can be arranged in the round or clustered with ottomans to create discrete seating areas.

In silhouette, the Salon series evinces a certain gentlemanly brio; a dignified quality that's associated with more formal furniture pieces. However, like a classically tailored cashmere topcoat that camouflages a feather light quilted lining, the chairs, when in use, are soft, comfortable and surprisingly commodious. This visual illusion has been achieved through BassamFellows signature layering system, which features thin, down, feather and fiber-filled seat toppers and lumbar and bolster cushions, which are baffled inside to retain their structure and comfort.
