

ADAM OTLEWSKI

UNTITLED SIDE TABLE 2.0

Solid machined brass with recessed hex-head fasteners. The suspended lever design is a play on lightness and visual illusion in a solid metallic form. Petite sized to pull up next to a sofa or reading chair; well suited as a drink tray or book stand.

20"H x 12"D x 8-1/2" W

Available finishes:

Polished nickel plated brass (*shown*), Matte blackened brass, Satin brass, Polished unlacquered brass, Burnished Nickel plated brass, "Smoke" acid patinated brass

All material finishes are living finishes: they will change and patina for the better with time and use. Every product is individually hand assembled; slight variations in color, size and shape are to be expected. Lead time 6 weeks.

It may be possible to place rush orders for a 20% fee.

Custom sizing, configurations and finishes are available, please inquire.
