

ADAM OTLEWSKI

SERIES 02 LARGE SCONCE

Solid machined brass, hand-stitched goatskin parchment shade. Goatskin parchment is an excellent diffuser of light and is naturally figured and textured, similar to the surface of the moon. Sconce is reversible at time of installation and can be installed with shade facing up or facing down.

8-1/8"H x 7"D X 6"W, Shade 6" dia. x 6-1/2"H

Available in all offered metal finishes (Shown: Dark Patinated Brass)

Hardwired fixtures must be installed by a licensed electrician. Mounts to a standard vertical single gang junction box (screw distance 3-1/4"). All material finishes are living finishes: they will change and patina for the better with time and use. Every product is individually hand assembled; slight variations in color, size and shape are to be expected. Recommended bulb "G16 5W LED 2700k Dimmable" included. E26 socket (keyless).

Maximum 40 watt bulb.

Not suitable for damp locations.

Lead time 6 weeks.

UL certification, as well as custom sizing, configurations and finishes are available, please inquire.
