Mirador Lounge Chair

FG006318 Light

Mirador armchairs are designed for Alexander Lamont by Brazilian designer Antonio da Motta. The seats are lifted by a flowing bronze line that glides beneath and around the chairs in a seductive form. Parchment armrests bring an unexpected luxurious natural element. The upholstery uses eight-way, hand-tied springs providing a very comfortable seat that maintains its shape. Available in Espresso woven fabric with bronze patina and cocoa parchment, or Ecu woven fabric with patinated brass and café au lait parchment.
