Bronze Giant Leaves

Large tropical leaves have been cast in bronze to capture their delicate surface texture and delicious forms. The veined reflective surface creates a dappled play of light. The two sizes placed side by side create a perfect pair and, while appearing to lean gently, are attached to the wall with a bronze bracket.

1. FG000005 *Large*
Inches W 18 1/8 in H 100 3/8 in
Centimetres W 46 cm H 255 cm
App. weight : 33.5 kgs. / 74 lbs.

2. FG000006 *Small*
Inches W 13 3/4 in H 86 5/8 in
Centimetres W 35 cm H 220 cm
App. weight : 24.5 kgs. / 54 lbs.

Material : Bronze Patina
