

POWELL &
BONNELL

SLOANE LANTERN 9628

Grandly-scaled lantern with square-link chains hanging from a unique canopy. Glass panels with central frosted portions float away from the eight polished nickel candle holders by an armature finished with oval profile holders.
32”h x 21”w x 21”d with 16” chain.
Overall drop site specific.

Custom sizes available.

As shown: Statuary bronze frame, canopy and chain with polished nickel candle holder and frosted/clear glass panels.
