AMERICAN GOTHIC

A line that is nostalgic and earthy, an homage to Gothic literature and the heritage of craftsmanship, influenced by the land.

PHANTOM ADIRONDACK

The Adirondack, prototypical American outdoor chair, modified for indoors by using black walnut, hand selected for beauty of grain. An eroded found object arm, perfectly shaped by nature is cast in bronze giving weight and texture to the piece. A bronze Beetle meanders over the opposite arm, an integrated table.
