## AMERICAN GOTHIC

A line that is nostalgic and earthy, an homage to Gothic literature and the heritage of craftsmanship, influenced by the land.

## USHER

The lantern's formidable shape harkens to Poe's iconic story. Our earlier 'Mace' pendant is reimagined, evolving into a tale of a dragon slain with only a mace as defense. This fixture is commanding, its light subtle. The hand-faceted lens casts a romantic glow, the spikes exude a piercing charm.
