## AMERICAN GOTHIC

A line that is nostalgic and earthy, an homage to Gothic literature and the heritage of craftsmanship, influenced by the land.

## ISHMAEL

The piercing simplicity of this linear floor lamp conjures images of the fabled whale hunter and his harpoon. Shooting the light directly onto the reader's page through a curved crystal lens, it is not intended to illuminate the room. Rather its focus is to beam upon one spot, a light to read alone.
