

STRIPE BENCH

Echoing its striking graphic effect, the Striped Bench is a companion piece to the Striped Table Series. The bench is also made from alternating planks of solid Teak, Ash, and Walnut to create a “stripe” effect, adding a bold graphic punch to the simple, architectural base. (The plank top is also available in a single wood type, if desired). The top is carved to hold an optional seat cushion. The Stripe Bench is suitable for residential and contract use.

Like other items in the Stripe Series, the Stripe Bench evinces the BassamFellows ‘minimal artisanal’ ethos, displaying a contemporary, minimal profile whilst celebrating the integrity of natural materials.

	W 63”	W 160cm
	D 18 7/8”	D 48cm
CB-345	H 15 3/8”	H 39.1cm
Stripe Bench	SH 15 7/8”	SH 40.3cm
