

## VIENNA RECTANGULAR DINING TABLE

Inspired by the flowing, organic curves of the Art Nouveau, Vienna manages to combine great strength with beguiling delicacy. The legs are water cut from 25mm and the top is shaped to fall somewhere between an oval and a rectangle – perfect for dining. It has gently rounded corners and a beautiful soft edge detail. The top is made of solid wood and the legs are available in a selection of our standard finishes – have a look at all of the options here.
