

SINGLE PEDESTAL PAPILLON OVAL DINING TABLE – GLASS

Inspired by Tom's trip to California's Joshua Tree National Park back in 2016, Papillon encapsulates the California aesthetic. The glass sits on top of a single steel base, which can be finished in any of our 'Butterfly' colourways, or even in one of our standard or specialist finishes.

Paired with a marble top, this is an extremely versatile dining table.

Shown here in Baronet Red, with Jak chairs in Bridge Red.
