

MADISON CONSOLE TABLE

The Madison console table feels sleek and stylish with its thin lines and sharp angles, but it's also effortlessly graceful. It is available in a selection of our specialist and standard finishes which can be combined with glass or antiqued mirror glass – have a look at our Finishes & Materials to see all the options. It is available in standard sizes, but can easily be tailor made to your own measurements. Madison is part of our hugely popular Avenues collection. This has become an interior designer favourite as it works in so many different design settings – as at home in a contemporary town house as it is in a traditional country pad. When styled, this table really shines.
