

LEXINGTON ROUND SIDE TABLE

Similar to our Madison and Siena design but with a thinner bar, Lexington is simple and elegant. It can easily be tailor made to your own measurements and finished in a selection of our specialist or standard finishes, which can then be combined with a clear glass or antiqued mirror glass top (the bottom shelf always comes in clear glass). Check out the finish options here. It is also available as a square side table. Lexington is part of our hugely popular Avenues collection.
