

EXE OVAL DINING TABLE WITH A GLASS TOP

The Exe dining table is a table for all occasions. With a solid wooden top spanning two elegant steel crosses it becomes a modern take on an old refectory table, ideal for family life. Exe is available with a standard clear glass or exquisite solid wood top. It can be made to order in any size. Have a look at the finishes here.

Exe is one of the more traditional pieces out of the Tom Faulkner furniture collection. It looks very at home in a country house whilst still adding a contemporary edge with the steel cross base that's true to Tom Faulkner's design style. It's a great dining table for big families or those who entertain regularly due to its size.
