

CLOUD MIRROR

The Cloud mirror has an eye catching fluid irregular shape, which is in contrast to the rectangular shapes we surround ourselves with in daily life. This modern mirror looks great in a hallway, or above a console table. It can be made in our 'Butterfly' finishes, or in any standard or specialist finishes, with a choice of standard or antiqued mirror – head over to the Finishes & Materials page to see all of the options.

Product Dimensions (cm / in)
