

CAPRICORN RECTANGULAR DINING TABLE

Capricorn is our signature piece. This contemporary rectangular dining table has been a best selling dining table for almost 20 years. It is a strong sculptural design with bold curves – a timeless classical silhouette. The proportions of the Capricorn dining table truly stand out. A Classical aesthetic defined by symmetry, rational order, and calm logic. Architecture and design is meant to inspire boldness, but also humility, contemplation, and intellect; qualities prized by the Classical civilizations. This has driven the design of this dining table.

It is available in a selection of our standard and specialist finishes and looks stunning in hand-polished stainless steel. Because of its simplicity Capricorn can be paired with many of our dining chairs, and can be custom made to size. Tops can either be glass, marble or wood. To see all of the finish options [click here](#). There is an oval, round and rectangular version of the dining table.
