

ATLANTIC RECTANGULAR DINING TABLE

As in all of Tom's work, Atlantic has a strong and distinctive motif – described in the beautiful shape of the legs. The surface of the top is made from an innovative material – a veneer with a wonderful matt sheen, and a beautiful “soft touch” finish. A dark walnut lipping completes the table – making it a super-smart addition to any kitchen or dining room.

Atlantic can be made to order in any size. The base can be finished in any of our standard finishes – head over to our Finishes & Materials page to see all the options.
