Luna Coffler

FG006695

The Luna Coffler, part of the new Trove collection, is a softly shaped box that is both gentle and substantial. Grooved and radial lines detail the cast top and foot, the top being dished to invite a momentary placement of something precious that signals the contents inside.

Inches	Dia 8 in	H 5 in
Centimetres	Dia 20.5 cm	H 12.5 cm
