## Condor Tray

FG006697

*Part of the new Trove collection, the Condor Tray is a sleek and beautifully designed homage to the wings and form of the stingray. Bronze lines rise and taper to form handles while the tray is covered with shagreen - a natural by-product of the fishing industry - that has been admired and cherished in Asia for centuries.*

Inches	W 11 1/4 in	L 20 1/4 in	H 3 1/4 in
