<b>CLEANING AND MAINTENANCE INSTRUCTIONS</b>	<p>Alabaster: Alabaster is a very fragile material and it must be treated with great care. Clean with a barely damp cloth, never a wet cloth or do not use any form of liquid on this natural material as this could cause marks or staining.</p> <p>Metalwork: We recommend a light polish with a non-abrasive lint free cloth. Do not use any metal cleaning products on the fixture as it can remove the finish entirely. Unlacquered brass finish will patinate slowly over time and can be brightened to brass by the use of a brass cleaning agent.</p>
