

## BOWER SOFA

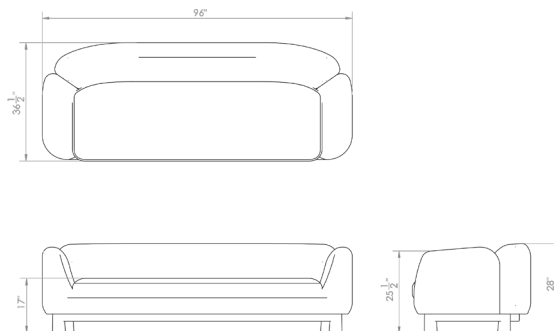

Workshop/APD Exclusive

The Bower Sofa, evolved from a favorite custom design for private clients, pairs an enveloping, split upholstered form with a detailed wood base. Further study reveals subtly turned and tapered wood legs that mirror the gentle slope of Bower's arms. Bower embodies ease and elegance with a tight, tailored back and comfortable seat, making it an elegant choice for living rooms and other public spaces. The Bower Sofa is offered in COM and COL, with a single or split cushion and in Workshop Collection's standard range of fine wood finishes.
