

MERIDIAN SIDE TABLE

Workshop/APD Exclusive

A radiused wood top with micro-beveled corners seemingly floats upon a reimagined version of the classic T-shaped base. A beautifully sculpted wood leg stands in contrast to a streamlined planar leg composed of two bent metal planes in dynamic opposition, joined by wooden stretchers. The intriguing composition harmoniously juxtaposes forms and material connections with stunning, deliberate reveals.

Dimensions: 28"W 18"D 20"H
