

WARREN DRESSER

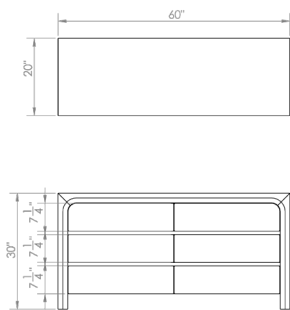

Workshop/APD Exclusive

The Warren Dresser is a study in contrasts, with a classic, angular form giving way to dual arch detailing. Featuring six soft-close drawers and integrated handles, it's a perfect companion to our Warren Bedside tables for bedrooms of all kinds. Its optional leather-wrapped, lacquered, or wooden drawer fronts, metal shelf, and elegantly stepped wood face meld deco influences and a warm, decidedly modern material palette. Made to order, the Warren dresser is available in all of Workshop Collection's fine signature wood and metal finishes.
