

BETA WALL LIGHT IN BRASS - US

£816

Code: 9755

ROSE UNIACKE EDITIONS

Inspired by a past industrial era and nautical lanterns, this traditionally handmade wall lamp is machined from solid brass with a lightly brushed and patinated surface, which has been left raw allowing it to naturally patinate.

The light source is encased behind a reeded hot-pressed glass shade allowing this lamp to be installed for use in environments both inside or outside.

US wiring: suitable for US / UL Certified NOT DEF One Bulb required (not included): E14, 25W max NOT DEF Dimmable

NOT DEF CE version also available. NOT DEF Screws are supplied for mounting. NOT DEF Lead time: 10 to 12 weeks
