

ALPACA COTTON BLEND IN BROWN BEAR

Code: 11121

Application: Upholstery, Curtains, Soft Furnishings

Composition: 60% Alpaca, 27% Cotton, 12% Wool, 1% PA

Woven from a rich blend of alpaca, cotton, and wool, Brown Bear is defined by its deeply textured bouclé surface - soft, tactile, and full of natural warmth. Fine alpaca and wool fibres form generous loops that give the fabric a surface alive with character and movement, while the compact cotton base provides quiet structure and stability (45,000 Martindale). This balance between softness and substance gives the fabric its enduring appeal: cocooning, composed and inviting.

With its generous texture and natural resilience, Brown Bear is well suited to upholstery and soft furnishings. Its tactile depth and plush hand bring both character

and comfort - a modern expression of bouclé's enduring charm, rendered here in a deep earthy brown that brings a grounded richness to an interior.

Martindale: 45,000
