

ALPACA COTTON BLEND IN POODLE

Code: 11123

Application: Upholstery, Curtains, Soft Furnishings

Composition: 60% Alpaca, 27% Cotton, 12% Wool, 1% PA

Woven from a rich blend of alpaca, cotton, and wool, Poodle is defined by its deeply textured bouclé surface - soft, tactile, and full of natural warmth. Fine alpaca and wool fibres form generous loops that give the fabric a surface alive with character and movement, while the compact cotton base provides quiet structure and stability (45,000 Martindale). This balance between softness and substance gives the fabric its enduring appeal: cocooning, composed and inviting.

With its generous texture and natural resilience, Poodle is well suited to upholstery and soft furnishings. Its tactile depth and plush hand bring both character and comfort - a

modern expression of bouclé's enduring charm, rendered here in a silver/brown colourway referenced from Rose's own French poodle, Errol.

Martindale: 45,000
