

## TEXTURED LINEN IN GREY PEARL

Code: 11155

Application: Upholstery, Curtains, Soft Furnishings

Composition: 95% Linen, 5% PA

Woven from pure linen yarns of varying thickness, Grey Pearl is defined by the subtle interplay between coarse and fine threads, creating a surface alive with natural movement and quiet texture. The irregular weave softens the light, revealing layered tonal variations that lend each colour depth and dimension.

At 138cm wide and weighing 970 g per square metre, it offers substance without heaviness - structured enough for upholstery, yet supple enough for drapery and soft furnishings. With a Martindale of 100,000 and a discreet eco-friendly, fluorine-free water repellency coating, it combines exceptional durability with resistance to everyday

# R

wear. This treatment preserves the linen's organic tactility while enhancing its practicality, ensuring it performs beautifully in busy, lived-in spaces. A calm, silvery grey with gentle warmth and depth, Grey Pearl enhances the weave's texture and natural movement. Its subtle tonal shifts capture the quiet elegance of weathered linen - soft, balanced, and timeless.

Martindale: 100,000
