Quoit Table Lamp

FG008436 Special Shade

Inspired by the ancient stone circles around Alex's home, the Quoit lamp is a stack of rings in different materials. Complexity is reduced by the calm tonal palette of whites and clear. Eggshell, parchment, rock crystal, mother-of-pearl and shagreen are capped with bronze at top and bottom. The lamp is crowned with a beautiful hand woven lampshade by Anne Corbière that follows the horizontal rings of the base with gorgeous warm ivory and metallic threads.
