Vermeil Side Tables

Inspired by the shape of the Baobab, a giant succulent tree from Africa, the Vermeil Side Table has a unique and beautiful form with wide girth to the base and a shimmering flat top canopy. Our side tables are functional plateaus of texture and tone that bring a sensuous sculpture to the room. Paired or alone, ivory-toned shagreen wraps the wide trunk, that supports the bronze textured top.

1. FG008421 Low
Inches Dia 13 ¾ in H 17 ⅛ in
Centimetres Dia 35 cm H 43.5 cm
App. weight : 15 kgs. / 33 lbs.

2. FG008422 Tall
Inches W 11 ¼ in L 15 ½ in H 20 ⅞ in
