LIGHT WEIGHT CASHMERE SHAWL IN MILK CHOCOLATE

Code: 11291

ROSE UNIACKE EDITIONS

A lighter weight version of our cashmere shawls in 255gsm.

Our cashmere comes from the Zalaa Kiinst White Goats that are looked after in the traditional Nomadic way of life where they roam the Steppe freely. They grow their down during the cold winter months and in May the Nomads comb their fine cashmere by hand.

The shawls are handmade and produced as organically as possible. This involves both drying and dyeing outside. A result of this natural process can be slight shrinkage to the natural fibres and there can be a 10% margin difference from the dimensions provided. Please do not hesitate to ask a Rose Uniacke team member to provide exact dimensions

prior to sending or purchasing.
